Principal Designer

Managed multiple projects for both clients and proprietary products. Worked closely with a team of developers and designed a financial website and iPhone application for American Express. Deliverables for this project included the design of 60 unique pages, 70 screens for the iPhone application, and creation of the overall branding.

Perfect Sense Digital, Reston, VA (01/2010 - present)

Senior Designer

Responsible for full redesign of DailyFinance.com. Designed a stock market desktop application and developed all the HTML and CSS markup for the promotional pages.

AOL: Money, Dulles, VA (05/2009 - 01/2010)

Senior Designer

Led design evolution of AOL Sports to Fanhouse. Supported editorial staff and provided brand specific mocks for AOL advertising sales.

AOL: Sports, Dulles, VA (03/2007 - 05/2009)

Senior Designer

Worked in an exciting environment creating a health web portal from the ground up. Responsible for design explorations, marketing materials, supporting sales initiatives, and insuring the proper implementation of overall visual design.

Revolution Health, Washington DC (01/2006 - 03/2007)

Senior Designer

Lead designer for a suite of AOL products including a Web Browser, Mail Client, and a Media Player. Designed an add-on toolbar for Internet Explorer as well as supporting HTML pages.

AOL: Product, Dulles, VA (04/2003 - 01/2006)

Web Designer

Initiated and managed web projects for various clients. Responsible for designing, programming, and hosting setup.

Freelance, Fairfax, VA (10/2001 - 04/2003)

Web Designer/Web Developer

Designed and maintained the corporate website and served as the Webmaster. Worked closely with marketing providing design support for the production of slick sheets, brochures, letterhead, and advertisements.

NETSEC, Herndon VA (07/2000 - 10/2001)

Web Designer

Developed and programmed websites utilizing HTML and JavaScript. Created interactive presentations in Macromedia Director for Account Executives.

Stackig/TMP Worldwide, McLean, VA (09/1999 - 04/2000)
